

INVACARE Action 4NG HD

The Action 4NG HD is a comfortable, lightweight wheelchair with outstanding functionality and flexibility. Ideally suited to everyday use, it is suitable for users up to 160kg.

A key feature of this particular model is its innovative cross-compatibility: it shares a platform with the other models in the Action NG family thereby allowing users and advisors to update or refurbish their wheelchair while maximising the opportunities for personalised adjustment.

Available in three seat widths to accommodate users who would prefer more space, it also has easy seat depth adjustment and backrest tension adjustment to ensure the best fit for the individual.

Functionality and flexibility

3 wider seat width options

Seat depth adjustability

Backrest tension adjustable with hook & loop tape

Backbrace bar for additional backrest tension

Transport weight of only 8kg

Foldable for easy transport

Crash Test Approved - fulfills ISO 7176-19

Swing away legrests

Height adjustable push handles and armrests

Easy hook and loop tape backrest tension adjustment with the possible addition of a backbrace to provide additional tension.

Available in 50.5cm | 55.5cm and 60.5cm seat widths, the seat depth can also be adjusted between 45cm and 50cm.

Overall Width	Overall Length	Seat Width	Seat Depth	Folded Width	Product Weight	Warranty	Max User
SW + 20cm	117cm	50.5 55.5 60.5cm	45 - 50cm	30.5 - 32.5cm	8kg (transport) 14kg (total)	1 year	160kg
