Helping To Care

***... when infection control is critical,
SafeTime prevents expiry over-runs***

2701 Falls Monitor with SafeTime Support

SafeTime bed & chair pads have an internal electronic timer which causes a "Change Pad" notification on compatible monitors, when the pad reaches its pre-programmed functional life.

SafeTime Bed & Chair Pads

- Available with 90 day expiry dates.
- Supplied with a 2480 USB breakcord.
- Made from non-allergenic soft PVC.
- Vent holes in the neck reduce the risk of moisture ingress.
- Easy to clean.

2622 SafeTime Bed Pad - 90 Days

With pressure sensors and internal timer built in, it is placed under the bed sheet to alert caregivers when a patient exits the bed.

2620 SafeTime Wheelchair / Chair Pad - 90 Days

alert caregivers when a patient exits a chair.
