

# Platinum 9

HIGH FLOW CONCENTRATOR

The Invacare Platinum 9 offers providers a value added and reliable global solution to treat patients with high flow requirements. Use as a stand alone device or couple together with HomeFill® Oxygen System for complete patient care.

Yes, you can.®

Making Life's Experiences Possible

# Platinum 9

While optimising oxygen concentration, Platinum 9 minimises costs associated to maintenance and delivery. It allows patients to stay at home comfortably and safely thanks to a series of integrated alarms.

Users will appreciate its simplicity of use combined with maximum security

## Features

Only one filter to change when dirty.

HomeFill<sup>®</sup> connection port.
