

Monterey V2 Lo-Lo Bed

Designed specifically for Aged Care and in-home environments with a super low height of 17cm. The Monterey Bed offers all the functionality and benefits of a clinical bed with the aesthetics of normal bedroom furniture and now offers quick mattress platform raising and lowering.

The Monterey comes standard with removable curved profile beech timber head and footboards.

Available in **Single** and **King Single**.

[LEARN MORE](#)

- 4-Sectioned mattress platform
- Now with auto-regression on backrest
- Independent adjustment of:
 - Mattress platform height (17 - 70cm)
 - Backrest angle (0° - 70°)
 - Knee break angle (0° - 35°)
 - Trendelenburg head/foot tilt (0° - 14°)
- Easily removable sheet steel deck panels (facilitates maintenance and servicing)
- Super low lo-lo bed (17cm)

The **Linak electronic** drive system is controlled by an easy to use and understand **handset**.

Front and back **central braking** system. Front wheels are linked, rear wheels are linked.

$\frac{3}{4}$ Tubular fold-down horizontal **handrails** can be easily removed or clamped on.

The built-in bed **extension** adds an extra 19.5cm to the mattress base length.

ALWAYS REFER TO THE DIRECTIONS FOR USE
