BLUE SHOES STAINLESS STEEL COLLECTION

A curated group of high-quality products that are essential to the operation of healthcare facilities. Designed to look good and make the end user’s day just that little bit brighter each time they use them.

At Nimble we have focused on the design areas that can make a big difference. We listened when people said mobility is key. So we made an effort to find a castor that provides extra strength and smooth maneuverability - the fact that it looks great is that added Nimble touch.

We recognised that we can bring some of the functionality from the products we use at home back into the workplace; hence the soft close drawers on all our trolleys and smooth double folded edges. We also know that the environment in which this product is used needs to be clean and often sterile; hence the addition of full welded seams to ensure there are not any gaps for dust and bacteria to be trapped. The Nimble Blue Shoes Stainless Steel collection is one that will deliver an exceptional experience to healthcare professionals all around the world.

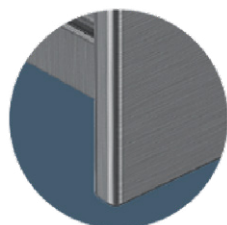

PRODUCT FEATURES

BLUE SHOES

Smooth gliding rubber wheels. Providing maximum mobility and a smooth user experience.

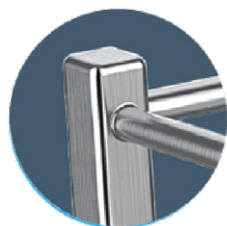

FOLDED EDGES

Present on all drawers, shelves and edges of the trolley - the smooth fold allows for protected handling.

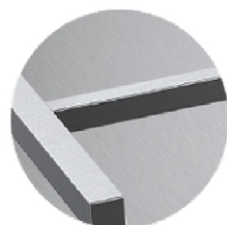

DRAWER RUNNERS

Soft-closing drawer runners, full extension and easy glide system.

FULL WELDED CAPS

Full weld seams and caps ensure a seamless finish with no gaps which reduces entrapment of bacteria.

SOLID UNDERBRACING

Full length underbracing on the underside of the trolley provides maximum stability and strength.

STAINLESS STEEL CONSTRUCTION

304 grade stainless steel provides a high quality satin finish.

THE COLLECTION

Dressing Trolleys – No Rails					
	Code	Castors	Width	Depth	Height
	WMK-NIMDT1000	7.5 cm	49 cm	49 cm	90 cm
